

Wednesday 21st October 2020

Dear children

The staff in school are always very proud of you but this pride has been even greater during this half term. Most of you have come back to school after a very long time at home but what you have done during the eight weeks of this half term in a changed school life has been amazing and as a result I wanted to personally say thank you.

Our new F1 have settled into being away from their family members for a set period each day, getting used to our school routines and getting to know each other. Now you are so settled and you have done this in such a short space of time. We are so proud of you. Foundation 2 have started full time learning and done this where for the first time parents and family members can't come into the classroom. You have been so grown up about this as well as other parts of the school day like having your dinner and learning in your environment. You have been truly wonderful.

From Year 1 to Year 6, you have been presented with different challenges but risen to them with determination and enthusiasm. In all our other classrooms, you have embraced our changed school day, new adults, new classrooms, new dinner times and the other new routines of our school day. Each and every one of you has been positive, kind, determined and willing to meet any challenges with the belief that you will succeed but if you don't yet then you will in the future. You have helped establish class routines, have enjoyed making friends whilst celebrating your huge amount of successes during the half term.

Although the half-term holiday will be a little different, I hope you all manage to relax and have a rest after eight weeks of hard work. Be proud of what you have achieved since we returned to school in September and when we return to school after the break, continue to be positive, kind, hardworking and take on challenges. Thank you from myself and all the staff.

Yours sincerely

Paul Beevor
Headteacher
