Part A: Pupil premium strategy plan

Statement of intent

Aims

At Wath CofE Primary School we aim that disadvantaged pupils are supported through a range of school strategies so that they attend school in line with national averages for all pupils, have access to high quality pastoral support so that feel safe secure and happy in school whilst accessing quality first teaching provision through in class learning and intervention outside class which swiftly addresses specific learning gaps. Our school motto is, 'Aim higher, shine brighter' and this is at the heart of what we do for all pupils but particularly those who are disadvantaged.

To achieve these aims, we will:

- Enhance quality first provision through a range of CPD opportunities which enable all staff to enhance their practice in ways which are linked to our DEP.
- Ensure consistency in key area of the curriculum through the purchase of an accredited phonics scheme and regular review and coaching from the English Lead in guided reading and Phonics Lead in this area.
- Plan strategic interventions which are based on research evidence, early intervention, targeted towards the groups of greatest need and using practitioners who can make the greatest difference.
- Enable disadvantaged pupils to have attendance which is in line with national averages for all pupils so they access a full curriculum offer.
- Use a broad network of welfare provision so that all pupils feel, safe, secure, happy and ready to learning whilst ensuring all parents have positive relationships with school.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Providing quality-first teaching which enhances the progress and attainment of all pupils particularly those who are disadvantaged.
2	Pupils' greater social, emotional needs and mental health.
3	The attendance and persistent absence gap between the pupil premium children and all children.
4	Language and literacy gaps including phonics in early years and KS1.
5	Learning gaps in KS2 [Y6, Year 5 and Year 4 writing].

6	Parents' greater social, emotional needs and mental health.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

1. To provide quality first class-led teaching to all pupils including those who are pupil premium.
 - Teachers are expert teachers of phonics or reading. All relevant staff have been trained in Little Wandle Phonics and received in class training from the phonics leaders. Observation showed consistent, strong practice.
 - Teachers engage in action research to develop their practice in other key areas. All teachers engaged in research in either retrieval practice or strategies for modelling writing. This led to more streamlined retrieval practice with vocabulary and knowledge linked and new strategies in modelling writing which supported new writing scaffolds or greater scope for pupil choice.
2. To promote engagement by addressing social, emotional needs and mental health.
 - Case studies of GL, JB and AS show that pupil premium children are happy in school.
 - Drop-ins show that pupil premium children engage with their learning.
 - Behaviour review shows pupil premium children receive the same recognition as other pupils.
3. To close the attendance and persistent absence gap between the pupil premium children and all children.
 - Attendance for all pupils was 94.5%. Primary national average was 90.9%.
 - Attendance for pupil premium children was 93.4%.
 - Persistent absence for pupil premium children was 20%.
 - There are no national PA figures at this stage.
4. To improve pupil premium children's language and literacy skills in the early years and KS1.
 - SALT programmes have enabled the children accessing them to come of the SALT programme.
 - 92% of pupil premium children in Y1 achieved a phonics pass.
 - 83% of pupil premium children in Y2 achieved a phonics pass.
5. To close learning gaps in KS2.
 - All pupils Y4 writing at the expected level at the end of Y3 was 51%.
 - Pupil premium Y4 writing at the expected level at the end of Y3 was 33%.
 - All pupils Y4 writing at the expected level at the end of Y4 was 62%.
 - Pupil premium Y4 writing at the expected level at the end of Y4 was 50%.

- Year 6 writing outcomes at the expected level was 82%. The national average was 69%.
6. To support the social and emotional needs of pupil premium families.
- There is a designated parent support worker in school.
 - Families to support are identified and reviewed at least termly.
 - A range of support strategies are deployed to support families in bespoke manner.
