# Part A: Pupil premium strategy plan

## Statement of intent

### Aims

At Wath CofE Primary School we aim that disadvantaged pupils are supported through a range of school strategies so that they attend school in line with national averages for all pupils, have access to high quality pastoral support so that feel safe secure and happy in school whilst accessing quality first teaching provision through in class learning and intervention outside class which swiftly addresses specific learning gaps. Our school motto is, 'Aim higher, shine brighter' and this is at the heart of what we do for all pupils but particularly those who are disadvantaged.

### To achieve these aims, we will:

- Enhance quality first provision through a range of CPD opportunities which enable all staff to enhance their practice in ways which are linked to our DEP.
- Ensure consistency in key area of the curriculum through the purchase of an accredited phonics scheme and regular review and coaching from the English Lead in guided reading and Phonics Lead in this area.
- Plan strategic interventions which are based on research evidence, early intervention, targeted towards the groups of greatest need and using practitioners who can make the greatest difference.
- Enable disadvantaged pupils to have attendance which is in line with national averages for all pupils so they access a full curriculum offer.
- Use a broad network of welfare provision so that all pupils feel, safe, secure, happy and ready to learning whilst ensuring all parents have positive relationships with school.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Providing quality-first teaching which enhances the progress and attainment of all pupils particularly those who are disadvantaged.
2	Pupils' greater social, emotional needs and mental health.
3	The attendance and persistent absence gap between the pupil premium children and all children.
4	Language and literacy gaps including phonics in early years and KS1.
5	Learning gaps in KS2 [Y6 writing and Y4 writing and mathematics].

6	Parents' greater social, emotional needs and mental health.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

#### To promote engagement by addressing social, emotional needs and mental health.

1. Pupil premium children are happy in school.
2. The engagement in learning of pupil premium children is in line with non-pupil premium children during classroom observation and from staff feedback during pupil progress reviews.
3. Class recognition boards show pupil premium children receive regular recognition for their learning and behaviour.

#### To enhance pupil premium children's language and reading fluency.

1. SALT support is focused on early intervention with teaching assistants delivering programmes devised by the speech and language therapist.
2. Engaging stories take place each day in every class from F1 to Year 6 to promote language acquisition.
3. Children use and can talk about different approaches staff use to promote reading fluency.
4. VIPERs comprehension strategies was teaching and learning project in the Autumn Terms and is now explicitly part of reading practice.
5. Disadvantaged pupils have at least expected progress in Year 1 and Year 2. In Year 3, Year 4 and Year 6, they have made accelerated progress.
6. 83% pure disadvantaged children reached ARE in reading by ASP2 [national average for all pupils 75%].

#### To enhance the phonic knowledge and spelling confidence of pupil premium children

1. Quality first phonics teaching takes place on daily basis from F1 to Y2 monitored by the Phonics Lead. Teaching and learning developed in this area through an Autumn Term teaching and learning project.
2. Phonics interventions were led by teaching assistants in the children's classes focused on specific phonics gaps.
3. 87% of children in Year 2 passed the phonics screening test in December 2020. 80% [8/10] pupil premium children in Year 2 passed their phonics screening in December 2020.
4. The percentage of pure pupil premium children achieving expected levels in spelling is in line with all pupils.

To close the attendance and persistent absence gap between the pupil premium children and all children.

1. Attendance for all pupils Y1 to Y6 was 97.1%.
2. Attendance of pupil premium children was 96.4%.
3. Persistent absence for pupil premium children was above the national average [national average 8.7% and pupil premium children at Wath CofE Primary School was 17.5%].

To enhance the aspirations of all children.

1. Termly pupil voice analyses show the very large majority of pupil premium children believe they can succeed.
2. Teaching and learning projects enhanced teaching and learning in the following areas; phonics, VIPERs comprehension, productive struggle, number recall, scaffolding writing for SEND pupils and handwriting.
3. Pupil premium children made expected progress from ASP1 to ASP2.
