

Wath CofE Developing Excellence Plan 2021/22

The school developing excellence plan is how we think we can best improve the educational experience this year for all the children. All staff contribute to the plan which is based on educational research. Different curriculum leaders have responsibility for their parts of the plan and the impact is assessed at the end of each term. The main areas of focus are included below.

Areas of focus for 2021/22

- Teacher expertise in enthusing children about reading.
- Modelling writing.
- Teacher knowledge of the Spanish Curriculum.
- Number recall.
- Computing.
- Understanding a range of vocabulary.
- The Christian Ethos of school.
- Design technology.
- PHSE.
- Supporting SEND pupils' learning through whole class teaching.
- Attendance of particular groups of pupils.
- Positive behaviour strategies and reflection.
- Celebrating diversity.
- Safe use of the internet.
- Active playtimes
- Consistent teaching of phonics and reading.
- Developing the roles of school counsellor and pupil wellbeing manager.
- Governors' understanding of the teaching of reading.
- Enhancing F2 outdoor provision to support maths and English learning.

Research Base

As a leadership team, we have then decided how we can use this research to make the greatest difference for the children. Below are some of links to this research. If you would like to talk about any of these developments further, please contact a member of the senior leadership team via the school office.
