Dear Parents and Carers

Sporting success!

Congratulations to the Year 6 Tag Rugby Team who won the Wath Area Final earlier this week at Wath Academy. They played as a team throughout the competition and represented our school in the way we expect. We hope the Totty Cup footballers will enjoy their next matches on Monday next week and we look forward to more sporting competitions throughout this year which will largely be organised by Mr Bennett for the Jmat Schools.

New Parent Governor

The role of the school governors is exceedingly important in reaching the goals of providing the children at our school with an enjoyable, rich school life full of the best educational experiences. We have the opportunity to appoint a new parent governor to join an experienced and committed team. At this stage we would like expressions of interests only from parents with a knowledge of finance. If you are interested, could you email school@wce.jmat.org.uk by 22.10.21. If there is more than one candidate as we hope there will be, we will then provide an opportunity for each parent to find out about each candidate's qualities before voting.

One-way system

For a few years, we have operated an informal one-way system from Vicar Road at the motor spares shop then flowing into Norton Road so that traffic moves in one direction and drivers do not need to reverse which can be very dangerous on these narrow streets. Please continue to observe this and avoid stopping outside school to drop off as this causes traffic to become congested behind and means pedestrians are crossing the street between cars. Thank you for your support.

Children at drop-off and pick-up

We have a high volume of parents, carers and children on our site at the beginning and end of each day. Safeguarding children on our site at busy times is very important to us and that is why we have staff positioned in key areas around the site. However, it is vital for everyone's safety that children arriving on site at the start of the day and waiting for siblings at the end of the day wait with their parents or carers at all times. Your cooperation with this is appreciated.

If you have any questions about the items in this newsletter, please contact me via the school telephone number of 01709 760471 or by emailing school@wce.jmat.org.uk.

Yours sincerely

Mr Beevor
Headteacher
